Copy 2 of 6

26 March 1963

Gentlemen:

The United States Government intends to enter into a firm fixed price contract with your company for the conducting of a feasibility study and compilation of data for a Ground Data Reduction Subsystem. The work shall be accomplished in compliance with the requirements as set forth in the Government's letter dated 26 March 1963 and "Exhibit A" thereto entitled "Statement of Work".

Contract Number FH-7810 is assigned to this intended contract and it is contemplated that the aforesaid work shall be accomplished at a firm fixed price of . These requirements shall be completed no later than 30 April 1963. The contractor is authorized to proceed with this work as of 26 March 1963.

The contractor shall agree to comply with the attached certificate by executing two copies thereof and returning same to the Contracting Officer.

Very truly yours,

Contracting Officer
